ALBERT YOUNG TO HEAD FINAL USO DRIVE HERE

J. Albert Young, Jr., will head the next and final USO Campaign in Milam County, Governor Coke R. Stevenson, General Chairman, announced today.

Stevenson said, "We feel particularly fortunate to enlist Mr. Young in this final USO drive for funds. Our state quota of $800,000 will be reached with similar top leadership in all of Texas' 254 counties."

Carl L. Phinney, State Campaign Chairman, in a letter to Mr. Young said, "The final USO drive is an important undertaking. Having had the honor of serving 18 months with the 36th Division in Italian theatre, I learned first hand what USO means to the boys overseas. I also have known of the billion acts of kindness to our millions of men in this country. Continuation of these morale services is, if anything, more important than ever. The combat phase of the war is finished but the transition period presents fully as many morale problems. The life of the men in the service is not glamorous. They need and deserve the "home away from home" that USO Clubs and USO Camp shows give them. USO in 1947 will concentrate its services for those who are still hospitalized, those overseas and our kid brothers now in training. I want to join Governor Stevenson in expressing appreciation to Mr. Young for accepting the Chairmanship of Milam county. We are confident that under his leadership Milam county will meet its obligaations to those men still in service."

End Seen Here For Rodeo Programs; Loss Of Money the Reason

The end may be in sight for Rodeos in Cameron, it was indicated in a report from the Chamber of Commerce.

The fall Rodeo staged here Thursday, Friday and Saturday was a financial failure as have been similar shows in the past.

The first show scheduled for Thursday night was rained out and rain during Friday and Saturday cut down attendance at the last two shows to an extent that financial failure resulted.

The Chamber of Commerce, said Mr. Perkins, and the Spence-Melon Rodeo Shows will divide the expense and the loss on the shows.

"Cameron people will have to support rodeo shows much better or we cannot have these fine entertainmnts in the future," he said.

FACULTY COMPLETED FOR NEW SCHOOL TERM HERE

The faculty for the new school term to begin here Monday, September 9, was completed Monday night at a call meeting of the school board, it was disclosed early Tuesday by Superintendent W. T. Hanes.

The following teachers were elected to the faculty: Mrs. Merle Hickman, college graduate with 13 years experience, is to replace Miss Ada Margaret Smith, who has been transferred to the high school. Miss Smith worked during the summer on her MA degree.

Miss Harriett Atkinson, public school music in Ada Henderson.

Miss Sallie Moncrief, Masters Degree in English, 14 years experience to teach Junior and Senior English.

Miss Gertrude Eberhardt, won scholarship at University of Texas and did graduate work there, four years experience and will teach Science.

Harrison McLerran, resigned position at Temple which he had held for the past two years to accept commercial work and Physical Education at Cameron. He has had four years experience.

Mrs. Alvin Dusek will teach shorthand.

On next Thursday night the school board will meet in regular business session at which time it will adopt the budget for the coming year.

The Elders and Deacons of the First Presbyterian church will meet Thursday night at 8 o'clock. It is important that all officers attend in order to assist in planning the fall work of the church.

'Major' Wins Again In Waco Horse Show; Owned by Grabein

"Major," black saddle horse, owned by R. G. Grabein of Cameron, has scored again in winning first place in the horse show in Waco on Monday night.

Mr. Grabien has thus ridden "Major" to two wins against the best competition in this section of Texas in the horse show in Waco.

The class in which "Major" won was the Plantation Class for all-around saddle houres. The competition was keen but Grabein rode his horse to an easy win over the field.

As evidence of the best in his class "Major" now has another blue ribbon for his scrap book. Mr. Grabein trained this horse from a colt! He is recognized as one of the best in the state.

BIGGER ENROLLMENT IS CERTAIN FOR SCHOOLS

Cameron's school system was definitely on the upswing on the eve of the opening of the 1946 fall term.

Indications point to a larger enrollment than last year due to additional transfers from rural districts.

Dr. Clifford G. Swift, President of the Board, recently announced an increase in pay for teachers following the adoption of the state minimum scale of salaries and the board is now in position to bargain for the services of experienced teachers.

Everything was in readiness for the opening of the schools here on September 9. School officials urge all high school students who have already registered not to appear at Yoe High school until Tuesday morning at 8:30. Those who miss registration this week are to go to the school for enrollment at 1 p.m. on Monday, September 9.

Ada Henderson students are to come for registration at 1 p. m. on Monday, September 9.

New Bakery Opening Well Attended Here

Fred Jackson's Bon-Ton Bakery and coffee bar was crowded throughout the forenoon and until late Wednesday, the occasion being the formal opening of the new business.

Many friends in business sent flowers and the new bakery has been opened under the most favorable circumstances.

Pastry cases, full at the opening hour, were largely exhausted as patrons got their first opportunity in years to patronize a business of this kind. Cameron was showing a keen interest in this newest of our post war enterprises and Mr. Jackson is to be congratulated on this fine improvement for the city.

ARMY DEAD FROM MILAM LISTED IN WAR REPORT

MOBILE X-RAY UNIT TO MAKE VISIT TO CAMERON

Dr. M. L. Fuller, director of the Cameron-Milam County Health Unit states that they plan to have the mobile X-ray unit of the State Health Department in Milam county sometime in September for the purpose of X-ray study of some of the population. They would like to include in this survey certain industrial groups, being especially interested in food handlers.

In order to eliminate unnecessary X-rays it has been deemed advisable to skin test these groups before X-raying them, because it has been found by experience that quite a few adults will have a negative skin test and need not be X-rayed. Those who have positive skin tests will be offered X-ray examination to determine if they have any infection.

Those interested should report to the Heauth Unit for skin testing on Wednesday, September 4, during the hours of 8:30 a.m. and 11:30 a.m. and 1 to 4:30 p.m.

Chas. C. Smith Builds Extension to Cleaning Plant in Cameron

Chas. C. Smith is completing an important extension to his cleaning plant.

The new space will be used for a modern office and the space now being used for that purpose will house new machinery for improvements in the plant.

Mr. Smith has a large storage space in connection with the plant which has grown to be one of the largest industries of its kind in central Texas.

Billy Mitchell Going To Army Commissioned Officer; Leaving Soon

Billy Mitchell who has been secretary at the Chamber of Commerce for some time has received an appointment to the regular army as a Commissioned Officer and is due to report to Fort Sam Houston soon. He may leave Cameron within a few days.

Mr. Mitchell regrets to leave Cameron but feels he is benefiting himself by taking the appointement in the regular army.

It was understood that he had received a telegram from the War Department instructing him to report for duty.

NO BIDS ON IMPORTANT MARAK-YARRELTON ROAD

Residents in the Yarrellton and Marak communities as well as many in Cameron, were mystified and deeply resentful over developments in plans to build the road from Watts Switch to Yarrellton west on Highway 77.

It has been announced that when the Highway Department called for bids on this work no estimates were submitted. It was estimated that the project will cost around $70,000 or more.

Chairman Redditt of the Highway Commission, in a speech recently made here to a group of people interested in this and other farm-to-market roads, were told to get the right of way and the road would be built.

The right of way, all of which was donated by land owners all along the route, gave the necessary frontage. All plans were completed here and the matter was presented to the Commission in correct order.

The new route is to accommodate a daily mail route and is one of the most important road construction projects here in recent years.

Just what happened at Austin, no one here seemed to know. When Senator Kyle Vick heard of the devlopment, he left his office in Waco and went direct to Austin to see what he could do to arrange reconsideration of this matter.

There has been a feeling for some time that smaller counties, no longer politically important, have had to eat at the second table in Austin, or not at all, while the big centers gobble up all the money. Whether proposed bids on the road here were influenced by such a condition, some speculated, however every effort was being made to get the facts.

POWER PLANT BOND ELECTION IS VOTED

AIRPORT DEDICATION IS RAINED OUT HERE

Formal opening of the Municipal Air Park here Sunday was cancelled on account of rain.

The date for the opening and air show has been set for September 15.

LeRoy Mills, manager of the field, was all set for the opening but foul weather shut off traffic in the air and only a few planes were able to reach Cameron.

Postponement was made in time to catch radio broadcasting stations. Despite this a large crowd was on hand for the sun had come out and people wanted to see the show.

The air show was rained out during the Centennial also and yesterday again for the second time. Full details will be announced about the opening on September 15.

4 INCHES OF RAIN ENDS LONG DROUTH AND HEAT

Up to noon Thursday four inches of rain had been gauged at the government station here by L. W. Smith, local observer.

The fall, first since June 17, ended a long and destructive period of drouth and heat and brought relief to parched lands over a wide area of Milam and adjoining counties.

The rain began early Wednesday evening and according to Mr. Smith, two inches had fallen by 8:30 p.m. and at 8 a.m. Thursday, the precipitation had increased to 3.66.

Too late for cotton and other large crops the rain would benefit sweet potatoes and restore the range for winter grazing. Not since 1925 have crops been affected so adversely because of drouth.

Milano School Shop Robbed of Equipment; $250 Reward Offered

The shop at the Milano High school was robbed of equipment valued at $400, according to Hinton H. Pruett, Superintendent who has posted a reward of $250 for the arrest and conviction of the person or persons guilty.

The robbery, acording to Mr. Pruett, occured on August 17 or 18. The following property was stolen: One Black and Decker hand drill with half horse power motor, handle on drill has been repaired; one 1-horse power single phase electric motor; one 1-4 horse power Diehl electric motor; one 1-3 horse power Delta electric motor.

A Tribute to the Country Doctor

We have seen it on the screen and read about it in magazines, but in reality it is a character almost extinct in our modern life. The Jones Prairie Community is one of the few places today that can claim such a person, known in the past as the family physician.

The person to whom the tribute in this article is paid is Dr. W. J. Fontaine, who began the practice of medicine here with his father, the late Dr. R. K. Fontaine, after being graduated from Medical School at Galveston, Texas.

A number of times the offer has been made by other physicians to move to town and a more lucrative practice, but he has stayed by his country community. In his profession he has associated himself with his neighbors in their joys and sorrows, in sickness and health, answering the calls to alleviate the suffering of every class and color, night and day here for more than 40 years. A Christian gentleman, a devoted husband and father, a sympathetic friend, we are proud to call him our doctor and friend.

Milley Geer Is Named "Miss Cameron" At Air Show Here Sunday

Milley Geer is "Miss Cameron", having been named by judges at the ceremonies at the air-park opening here Sunday.

Miss Geer is the daughter of Mr. and Mrs. E. E. Geer of Cameron. He is with the Santa Fe railroad here.

As "Miss Cameron" she will be entitled to make the trip to Harlingen in the Rio Grande Valley to represent Cameron at the dedication of the great air field there. Winner in the Harlingen show will go to Mexico with all expenses paid.

Miss Geer will be accompanied to Harlingen by Mayor A. W. McCullin, Miss Marion Brewer and LeRoy Mills, manager of the air port.

Judges in the contest were L. Cooke of Dallas; Roy H. Scott of Waco; and Casey Slocomb of Houston.

Venue is Changed for Convict's Third Trial In Hunt Slayings

PLAINVIEW. — District Attorney H. M. LaFont has announced that a change of venue has sent the case of Jim Thomas, paroled convict charged with the slayings of Dr. and Mrs. Roy Hunt of Littlefield in 1943, to Sweetwater.

The trial had been scheduled at Lamesa. No date has been set at Sweetwater.

The bodies of Doctor and Mrs. Hunt were found in a bed in their Littlefield home. Thomas, on parole during the serving of a sentence on an assault to murder charge from Lubbock, was arrested the next day in Galveston.

In two previous trials, the state based its case against Thomas on circumstantial evidence. Thomas first was tried here in August, 1944, for the slaying of Doctor Hunt after a change of venue from Lamb county. A mistrial was declared after he had been found giulty and sentenced to death.

At a Lamesa trial last January he was found guilty again and assessed death. The sentence was reversed.

TEXAS PRIMARY VOTE PLEASING TO O'DANIEL

WASINGTON.—The election has put new blood into the Democratic party organization in Texas and has retired Jimmy Allred and a horde of politicians who have long been out of step with the desires of the people," said the W. Lee O'Daniel News Friday in its current issue in referring to the results of the Texas Democratic run-off primary.

"Texans have cleaned their political house," the article said. "They have nominated a slate of fine Americans for office from Constable to Governor and have dumped a lot of politicians into the discard.

"Best of all, they have discarded the blatant CIO-PAC gang and defeated it at every turn of the road."

The O'Daniel News referred jubilantly to Beauford Jester's victory over Dr. Homer P. Rainey and of J. Frank Wilson's defeat of Judge Sarah T. Hughes.

"Both Dallas and Tarrant counties elected legislative delegations which were bitterly fought by the Roosevelt CIO-PAC machine," the weekly publication said. "Most of the nominating elections and conventions have now been held throughout the nation. The fall elections will complete the job and may change the complexion of the Congress."

In another article giving Congressional run-off results, the O'Daniel News referred to Congressman-Nominate Wilson as a conservative. Of Rerpesentative J. J. Mansfield and Milton West, renominated in the run-off, the publication said both were betterl yopposed by the CIO-PAC.

"The boys slipping through with the endorsement of the CIO-PAC were Wright Patman, Lyndon Johnson, Albert Thomas and Ewing Thomason," said the article. "Speaker Rayburn slid through without opposition."

CITY COUNCIL 4 TO 1 AUTHORIZE REFERENDUM

An election proposing to issue $500,000 in revenue bearing bonds to build a municipal light and power plant in Cameron, was authorized by the City Council Tuesday night, it was announced by Mayor A. W. McCullin.

On the vote a roll call was had and the council voted as follows: For the call August Kunz, Ben F. Reichert, Bob Terry and August Horstmann; against the call, Sam McDermott.

Mr. McCullin, who was accompanied by Alderman Kunz, gave The Herald the story of the proceedings of the council. He said that the proposed election will submit the issue of whether the people will authorize revenue bearing bonds in the sum not to exceed $500,000 to buy or to build a light and power plant and system in Cameron. The bonds to be revenue bearing with interest not to exceed three per cent and maturing not later than 20 years, both principal and interest being paid solely out of the earnings of the plant.

Mayor McCullin said that the Council has undertaken this project for the city with the cooperation of the Fairbanks-Morse Corporation.

The date of the election has not been set but the call is being prepared, the officials said.

Mr. McCullin said that from time to time information will be officially given so the people may know the facts regarding the plan of the Council to establish a municipal light and power plant.

Pet Parade to Start Lions Club Carnival Here Friday Evening

A pet parade will inaugurate the Lions Club carnival Friday evening at 7. The route of the parade will be through the business section.

All boys and girls who have pets such as dogs, cats, rabbits, chickens and calves will no doubt wish to enter their pets in this parade. You may dress your pets in any way you like.

Pets will be judged and prizes will be awarded. There will be no entrance fee. Lions Bill Arthur and Hilliard Thomas are in charge of the parade. If you have an entry you may call either of them to get in the big parade.

The Lions Club Carnival will be staged in city park Friday and Saturday nights, September 6 and 7.

MRS. ARLEDGE NAMED SUPT. AT BUCKHOLTS

Mrs. Coy Arledge has been elected Superintendent of Schools in Buckholts to succeed Mr. Campbell who is resigning to go to Smithville.

Mrs. Arledge said the schools will open on Monday, September 9. Her election is a much deserved promotion and because of her experience the school is assured of the best possible management.

Mrs. Arledge has been principal of the schools there for the past three years and for 10 years has been a member of the faculty. It is the first time in the history of the school the board has employed a woman superintendent.

Miss Virginia Hosch And Herbert Schattle Married at St. Monicas

Miss Virginia Hosch, daughter of Mr. and Mrs. E. A. Hosch of Sharp, and Herbert Schattle, son of Mr. and Mrs. Henry Schattle, Sr., of Cameron were united in marriage in an early morning service, at St. Monicas Catholic church. Rev. George Duda read the impressive double-ring ceremony.

Miss Nadine Hosch, sister of the bride, was maid of honor, and Miss Adeline Schattle, sister of the groom, and Miss Gertrude Boedeker, cousin of the bride, were bridesmaids. All were gowned in floor length dresses of pastel shades and each carried a colonial bouquet of colorful asters.

Lee Roy Schattle, brother of the groom acted as best man. Edmond Krull, cousin of the groom and Roland Boedeker, cousin of the bride, were groomsmen. Little Miss Barbara Schattle, niece of the groom, was flower girl, and Howard Klement was ring bearer.

The bride wore a white brocaded satin wedding gown, classic in design with gathered skirt that rounded into a full court train. Her finger-tip veil of illusion was held in place by pearls. She wore a single strand of pearls, and carried a bouquet of asters showered with satin streamers. For something old, borrowed, and blue she wore her mother's engagement ring which was studded with blue sapphires.

A midday dinner was served at the home of the bride's parents. About 75 plates were served to friends and relatives.

The dining table was covered with a beautiful white linen cloth that was hand spun by the bride's great grandmother. The central attraction was the white embossed wedding cake, topped with miniature bride and groom which was made and presented by the groom's aunt, Mrs. Joe Klement. The bride cut the cake which was served with punch.

Out-of-town guests were Mr. and Mrs. L. L. Hertenberger ad children of Navasota, Mr. and Mrs. W. H. Boedeker and Joe Ann of Houston, Mr. and Mrs. Henry Krul and family, and Mrs. Annie Hertenberger of Waco, Mr. and Mrs. R. R. Hertenberger and son of Navasota, Misses Mary Bower, Edwina Schrader and Zilke of Austin, and Mrs. A. A. Schrieber of Bartlett.

The bride is a graduate of Sharp High school, followed by a post graduate course at Cameron. She has been employed with the State Welfare Department at Austin.

Mr. Schattle is a graduate of Yoe High school and soon after graduation entered the navy, where he has served six years and has re-enlisted for a few more years.

For traveling Mrs. Schattle chose a peach colored crepe with brown pinstripes, and wore brown accessories. Immediately following the dinner the couple left for Dallas where they boarded an Air Liner for Atlanta, Georgia. After the wedding trip they will be at home in Corpus Christi where Mr. Schattle is stationed.

Bailey Doss and son, Bailey, Jr., who was recently discharged from the U. S. Marines, were in Cameron Thursday.

M-Sgt. Albert Svetlik Married in England to Teresa Swarbrick

Master Sergeant Albert Svetlik, son of Mr. and Mrs. L. S. Svetlik of Buckholts, was married on Monday, August 26 to Teresa Margaret Swarbrick in Blackburn, England.,

Mr. and Mrs. Svetlik received a card invitation late last week but of course could not attend the wedding of their son.

The invitation read as follows: Mr. and Mrs. F. Swarbrick announce the marriage of their daughter Teresa Margaret to M-Sgt. A. Albert Svetlik at St. Allan's Church on Monday, August 26, at 1 p.m. Afterwards reception at De-Tabley Hotel in Ribschester, England.

Sgt. Svetlik now with the Air Service Command will soon have completed four years in the service. He has never returned to his home since he went overseas. He is 24 years old.

Sgt. Svetlik has re-enlisted and may not return home until 1948. Mrs. Svetlik is 20.

Miss Sue Kirk and Robert Curtis Will Marry Here Sunday

A wedding of interest to many here will take place at 5 o'clock Sunday afternoon at First Presbyterian church in Cameron uniting in marriage Miss Sue Kirk and Robert Curtis of Houston. E. O. Harrell, minister at the church, will perform the ceremony.

Immediately following the ceremony a reception will be held at the home of the bride's mother, Mrs. Bob Kirk.

Miss Kirk is now living in Houston and Mr. Curtis, whose home is in the same city, is a war veteran. They will make their home in Pasadena outside the city of Houston.

Lt. Col. and Mrs. T. J. White made a business trip to Waco Wednesday.

Audry Louise Bailey And Bill Baker are Married in Corsicana

Miss Audrey Louise Bailey, daughter of Mr. and Mrs. Earl Bailey of Houston ,and formerly of Cameron, became the bride of Bill Baker, at the home of his mother, Mrs. M. S. Baker, of Corsicana, on Saturday, Aug. 10, 1946.

The home was attractively decorated with an archway of white gladioli leading from the entrance to the dining room where tall baskets filled with the same flower and lighted tapers formed a background.

The bride, dressed in a summer weight white wool suit, with green accessories and an orchid corsage, entered with her sister, Miss Dean Bailey, also of Houston, who attended her as bridesmaid. She wore an electria blue suit, brown accessories and a white orchid. The groom wore a brown dress suit.

Following the ceremony a reception was held at the home of Mrs. Less Baker, aunt of the groom, where the reception rooms were decoratd with white gladioli. The bride's table was covered in white and held the three-tiered wedding cake.

Following the reception the couple left for a wedding trip which took them to points in Colorado, before returning to Houston where Mr. Baker is employed as an engineer.

Mrs. Baker is the youngest daughter of Mr. and Mrs. Bailey, and attended school in Cameron before moving to Houston.

The groom is a World War II veteran, having served three years in the navy.

A. W. Rheinhart, of Arkansas, former resident of Yarrellton, was in Cameron Thursday.

Mrs. Gene Blake and son, Gene, of Hearne visited relatives in Cameron recently.

Gynn Chandler Will Be Married September 8 to Henry Hemphill

Mrs. Billy Newton, the former Doris Stidham and Miss Gloria Anita Cole were hostesses at a miscellaneous shower, honoring Miss Gynn Chandler bride-elect of Henry A. Hemphill of Austin. The wedding will take place at First Presbyterian church, Sunday, September 8 at 6:45.

The shower was held Friday of last week in the home of Miss Cole's parents, Mr. and Mrs. E. C. Cole, where appropriate games were played during the evening. Clues were placed at various places throughout the home which led the honoree to a hidden spot where she found many useful and beautiful gifts.

Guests registered in the bride's book.

The dining table was centered with a bowl filled with queen's wreath and fern. Mrs. Grady Stidham and Mrs. E. C. Cole assisted the hostesses in serving a dainty plate of sandwiches and cookies with punch.

Billie Peck is visiting his brother in Alexandria, La. When he returns he will enter Huntsville college.

1st Lt. Wm. T. Slaughter, son of Mr. and Mrs. D. H. Slaughter, has been called back into service with the Army. He reported to Camp Hood an Thursday, August 29, for duty. Lt. Slaughter served with the Army engineers in Belgium, France and Germany. He had planned to enter Texas University in September.

Earl Bailey of Monroe, Lauisiana, is visiting relatives in Cameron. He has been in Marlin under treatment in a hospital. Formerly he lived here and was at one time connected with Cameron newspapers.

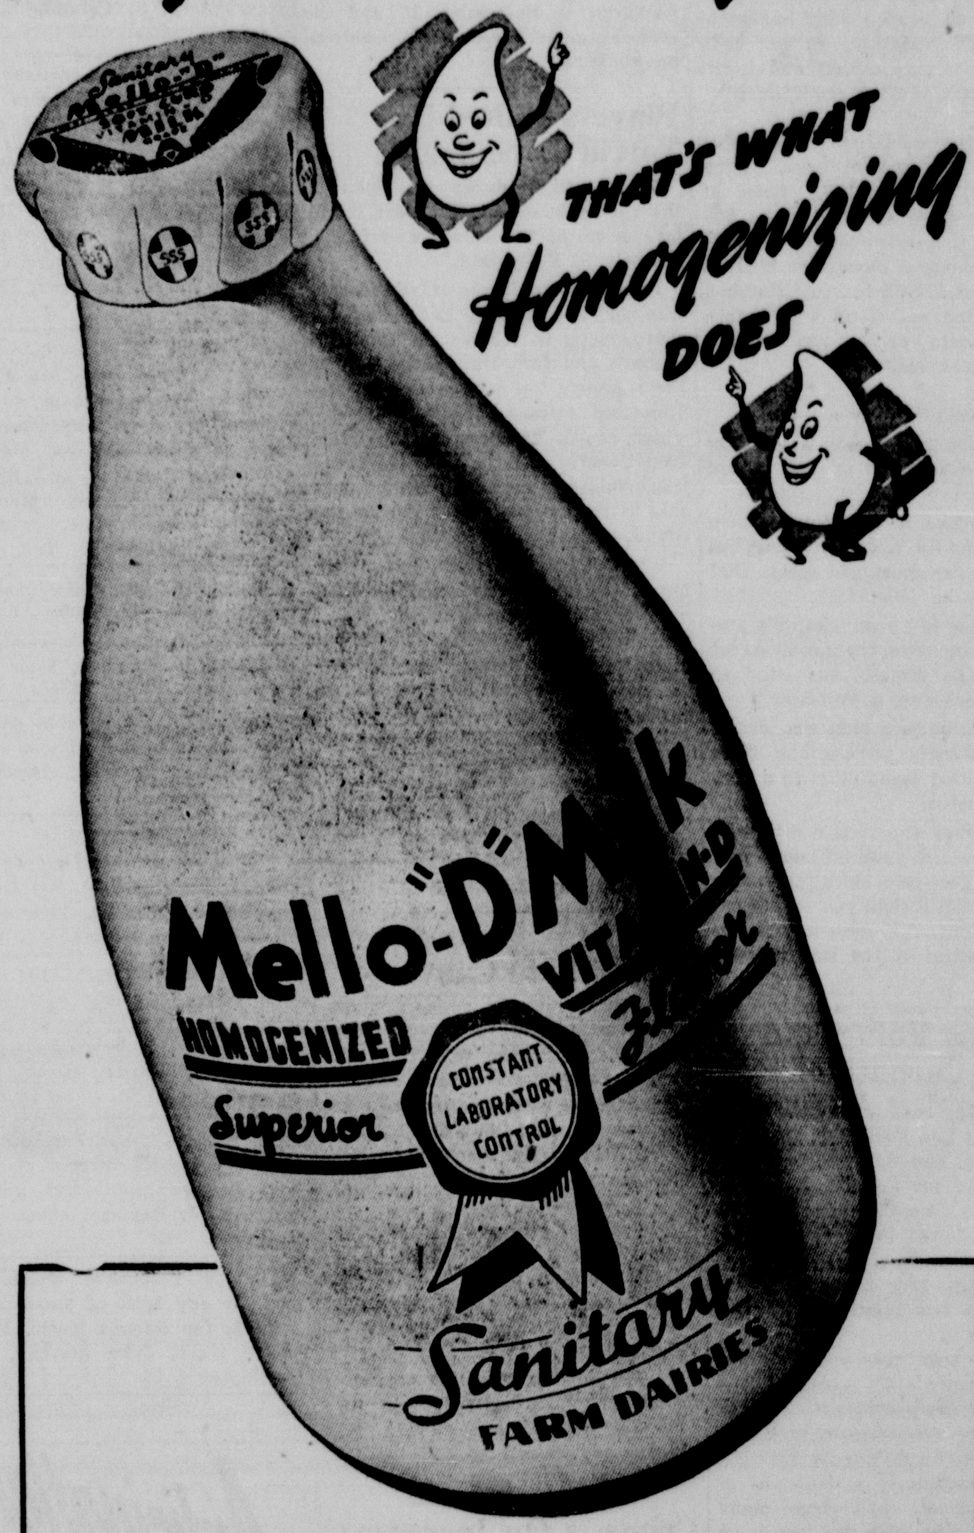
Every DROP a Creamy DROP



From the top to the bottom of each bottle, every drop of Mello-D-Homogenized Milk is creamy rich, full flavored and thoroughly delicious.

That's because Homogenization splits every cream globule into myriads of tiny particles that remain distributed all through the milk. You never have to shake the bottle—the last drop is always as nourishing and full of flavor as the first.

Easier to digest, too—and enriched with 400 Vitamin D units.

One of the most impressive sights of Texas: the ancient oaks, hung with moss, in Columbus. Some of these huge trees are said to be 600 years old; they were casting a shade and furnishing a haven for birds a century and a half before Columbus set sail. One stands in awe before such antiquity as he realizes the fleetness of human life.

35 Yoemen Reporting For Conditioning Here

Thirty-five members of the Yoemen football squad have been reporting to Coach Leo Jackson at the gymnasium this week at night for a conditioning program.

Fall practice will begin on Monday, September 1. Here again for their pre-season training will be the football team from Garland.

Under Interscholastic League rules actual work in training cannot begin before September 1.

Two games are scheduled for September, the first against Marlin in Cameron on September 13 and the second against Caldwell in Caldwell on September 20.

Players Wilted By Torrid Love Scene

What will probably go down in the record books as the most torrid love scene of the season was filmed recently in Hollywood.

During some "unusual" California weather, the mercury had tilted the thermometer to 110 degrees and Joan Bennett and Dan Duryea did one of Fritz Lang's top love scenes, in the Universal release, "Scarlet Street," which comes Thursday to the Cameron Theatre. By the time the scene was finished, the temperature was said to have been around 150 on the sound stage.

It started with a fight, Duryea, in his customary manner, slapping Joan around. Only this time she didn't take it. She came back with a coupie of back-handers herself and the battle ended in a reconciliation that is expected to be movie history.

Lang, producer and director of the picture, gave them both three hours to recuperate.

Edward G. Robinson is co-starred with Miss Bennett in "Scarlet Street." The story is based on the French novel and play "La Chienne."

Democrat Committee Makes Vote Canvas

The Democratic Executive Committee met at 10 a.m. Saturday to canvas and certify the vote from the August 24 run off primary election.

Among the veteran members present were W. B. Elliott of Thorndale and O. C. Nolte of Ben Arnold. Both have served the party in Milam county for many years.

The official canvas of the vote was filed with the County Clerk as required by law. The committee will not convene again until 1948 just preceding the Precinct Presidential Primaries.

Edwin Schiller who was appointed a member of the committee to represent Precinct 22 in Cameron, was present and introduced by Chairman J. B. White to the members.

Crime is On Increase Says FBI Chief; Rural Cases Up 48 Per Cent

J. Edgar Hoover, Federal Bureau of Investigation, announced today that crime increased 13 per cent in the first six months of this year as against the same period last year, according to a survey made by the FBI. "This is the highest rate of increase of crime in the United States since 1930 when national figures on the extent of crime were first compiled," stated Mr. Hoover.

The survey reflects increases in roberies of 31.8 per cent, murders 28.5 per cent, manslaughter by negligence 19.2 per cent, burglary 17 per cent, auto theft 15.5 per cent, aggravated assault 10 per cent, larceny 9.8 per cent, and rape 1.6 per cent.

While a 13 per cent increase in crime was recorded on a nationwide basis, crime in rural areas increased 19.6 per cent. Rural crime increased 48.4 per cent for robbery, 34.3 per cent for auto theft, 23.8 per cent for aggravated assault, 22.9 per cent for negligent manslaughter, 20.9 per cent for murder, 17.9 per cent for burglary, 13 per cent for larceny, and 8.3 per cent for rape.

In the first six months of 1945 crime increased 8.4 per cent over the same period in 1944 and the increase in the first part of 1945 gathered momentum until the end of last year crime had increased 12.4 per cent over 1944.

Let's Talk Agriculture

BY BILL ARTHUR

After the good rain that has just fallen the land is in good shape for fall planting of cover crops and soil building crops. The earlier that clover, vetch, peas and grass are planted the more growth it makes before cold weather. Hubam clover planted by September 15 makes good growth in early fall and may be grazed by January 1 to 15. Scarified clover seed will germinate much faster than seed that has not been scarified. You can also expect a better stand from scarified seed.

T. P. L. ELECTRIC RATES are LOWER than Ever Before!

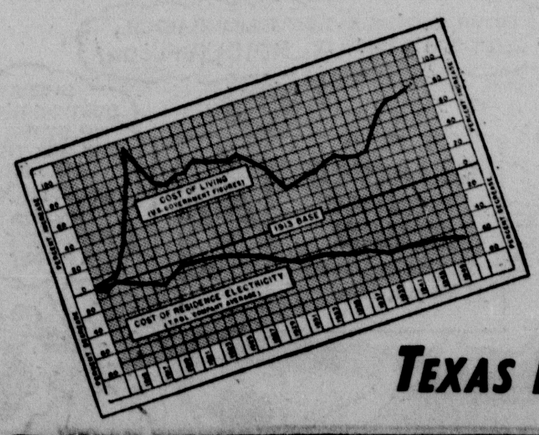
Texas Power & Light Company has just completed a voluntary reduction in electric rates for residential, farm, commercial and small power users throughout the areas it serves... a reduction which has been in the process of installation for the past few months, beginning with the metropolitan areas and finishing in the rural areas this month. This latest voluntary rate reduction means a saving of more than $1,000,000.00 a year to the customers of the Company.

This is nothing new with this Company, which has repeatedly made such major rate reductions in the past. In fact, this is TP&L's fifth major voluntary reduction since 1929!

Your savings from this latest rate reduction make it possible for you to enjoy, at lower cost than ever before, the use of your present electric appliances, as well as enjoy unstinted use of the new and improved appliances now coming on the market.

Plan now to take full advantage of your opportunity to enjoy better living ... Electrically!

More than Ever... T P & L Electric Service is the Smallest Item in your Family Budget



It is especially comforting in these days of sharply rising living costs to know that your TP&L electric service rates are continuing their long-established downward trend... in keeping with this Company's policy always to provide its customers with the highest standard of service at the lowest possible cost.

GEORGE WALLER DIED EARLY FRIDAY NIGHT

George Waller, 68, widely known business man and former Cashier of the First National Bank in Cameron, died at 9 p.m. Friday, August 30 in the Newton Memorial Hospital.

Mr. Waller had been in ill health for a long period of time and had been a patient in the hospital for several months.

Mr. Waller was born in Martinsville, Virginia, the son of the late Dr. George Waller and Sarah Putzel Waller. He was married to Bessie Hefley of Cameron, who was the daughter of the late John M. Hefley, founder of the First National Bank in 1889. Mrs. Waller died early in 1946.

Mr. Waller spent his young life in his native state of Virginia and moved to Texas more than 20 years ago. For a time he was a salesman in Houston and Dallas. Mr. and Mrs. Waller moved to Cameron some 15 years ago where he became Cashier of the First National Bank.

Mrs. Waller was a cousin of the late Henry M. Hefley, who was President of the bank. Mr. Waller continued his activities with the bank until his health was impaired, when he retired.

He was a member of the Methodist church.

Surviving are one brother, Ed Waller of Martinsville, Virginia, and one sister, Jean, who lives at Sacramento, California.

Funeral services were to be held from the Green Funeral Home in Cameron at 4 p. m., Saturday, August 31 with L. L. Morriss, pastor First Baptist church, conducting. Interment in Oak Hill cemetery.

Active pallbearers — Rudolph Marek, A. K. Gurecky, Dock Hardin, Emory B. Camp, Coleman Duncum and Andrew Esslinger.

Honorary pallbearers — Robert McLane, E. Vogelsang, Dr. James Watson, Roy Griffith, R. H. McIntosh, Walter F. Sharpe, E. A. Wallace, Judge John Watson, Judge Jeff T. Kemp, Bill Alex Bonds, Dr. W. R. Newton, J. B. White, A. N. Green, Chas. Brady and Bill Wallace.

Baptist Church Holds Open House for New Members with Program

Last Thursday evening from 8 to 10 the W.M.U. of the First Baptist church entertained with an open house, naming as honorees the members who have recently found fellowship in the church. A nice crowd gathered in the Educational Building to greet these honor guests. Rev. Morriss, the pastor, a new member himself but one arleady well established in the hearts of his members, on behalf of the church gave a few choice words of welcome. A special feature of the evning was a Chalk Talk, "In The Garden," given by Mrs. Franklyn Dusek accompanied by Mrs. Inez Collinls as soloist and Mrs. Francis Cox at the piano.

After a few snappy games the guests were invited to an attractive table where Mesdames Cyrus Miller, Leo Jackson, William Arthur, and James Heffington served delicious punch, sandwiches and candies. The last part of the program was an old fashioned sing-song led by M. G. Cox and thoroughly enjoyed by all.

ARMY SEEKS TESTIMONY FOR TOKYO WAR TRIALS

A nation-wide campaign to contact 2,661 former American prisoners of the Japanese—discharged Army and Navy personnel and civilians—was initiated today by the Army in a concerted effort to obtain depositions concerning war crimes and atrocities for use as evidence in the war crimes trials in Tokyo, the War Crimes Branch of the Civil Affairs Division announced.

Both the Veterans Administration and the Attorney General's office will cooperate with the Army in taking the statements of the ex-POWs. Branch and regional offices of the VA and all Federal District Attorneys have been provided with lists of ex-POWs who have been requested to give depositions, and have been briefed also in the procedure for taking evidenciary statements.

The War Crimes Branch of the Civly Affairs Division, War Department, will act as the coordinating agency for the project. Eight officers from the Legal Section of General Headquarters, Supreme Command for the Allied Powers, Tokyo, have returned to the United States to supervise the over-all plan. These officers will set up headquartrs in the six Army areas. Statements will be forwarded from the areas to the War Crimes Branch in Washington, where they will be collected and then sent to Tokyo.

Letters have been sent to each former PW from who a deposition is desired, urging him to visit either a Federal District Attorney's office or a Veteran's Administration office.

Among the men who were prisoners of the Japs who live here are Cpl. Alfred Simecek and W. E. Eickenhorst, Warrant Officer, both taken prisoner in the Philippines. Eickenhorst is now recovering from illness at a government hospital in Colorado.

NEWS FROM MILANO

Mr. and Mrs. Pruett and children of Houston spent the past weekend in the home of his parents, Mr. and Mrs. H. H. Pruett.

Open house was held at the Milano Methodist parsonage after church Sunday night. Sunday marked a year for Bro. Moore as pastor here for the church and it has been a very pleasant one. We are hoping the conference will send him for several more years. He is an outstanding young preacher. Five united with the church.

Mrs. G. W. Hilliard has returned home from California. She reported a fine visit and was accompanied by her sister, Mrs. Bullock of Houston. In California they visited their sister, Miss Ruby Mullins.

Miss Christine Otto has returned to her home in North Dakota after a visit here in the home of Mr. and Mrs. W. E. Thomas.

Mrs. Finney and children have returned to their home after spending several days here to take care of her mother while she was recovering from a recent operation.

Mr. and Mrs. Leslie Vanover have returned here for a visit with her mother, Mrs. Ida Howes.

Nick Brenan has returned home after receiving his degree at A & M College. He will teach vocation at Lexington this year.

Sixty-three members representing five generations of Mrs. J. E. Westbrook's family were present at a reunion held at what is known as Seven Cedars at Milano Sunday, August 25. Among the children present were Mr. and Mrs. M. A. Taylor, Mr. and Mrs. T. C. Westbrook, Mr. and Mrs. L. M. Westbrook, and Mrs. Minnie McClanahan all of Milano; Mrs. Elois Stacy of Bangs, Mr. and Mrs. R. L. Westbrook of Free, Mr. and Mrs. E. F. Westbrook of Houston, Mr. and Mrs. E. T. Hill of Dallas. There were 27 grandchildren, 19 great grandchildren and two great great grandchildren present.

Mrs. W. E. Thomas has been released from the Kings Daughters Hospital in Temple and is at her home in Milano where she is improving rapidly.

Mrs. Ida Howes accompanied her daughter and son-in-law, Mr. and Mrs. Leslie Vanover, to Palestine where they are visiting in the home of Mr. and Mrs. Ben Vanover. They are also hunting, fishing, and having a grand vacation.

Mrs. Dan Robinson, after spending several days with her daughter in Temple, has returned home.

Mrs. Robert Roger, Mrs. Gyselle Burdick of Houston, and Jewell Hooker of Brenham, were week-end guests in the home of their mother ,Mrs. W. F. Hooker, here.

Mr. and Mrs. G. Layne and family will soon leave for their new home at Jacksonville. We regret to lose these good people.

Mrs. Hooker, son and grandson, and Miss Kate Brenan have returned from a pleasant vacation spent at Grand Tavern, New Mexico. They reported a grand trip with lots to see.

The Baptist church at Milano has been torn down. The lumber will be used to build a parsonage and the carpenters will build a new church as soon as the parsonage is finished. The location will be across town from where it is now and it will be a church the town will be proud of.

Mr. and Mrs. Al Johnson and son, Allen, have moved to San Antonio where they have built them a new home.

Mrs. Charles Basket and daughter, Anna Jean, have left for a visit with her mother in Cleburn.

Mrs. R. L. Myrick went to Temple Thursday to visit her husband, who is ill in the Santa Fe hospital there and is reported to be improving.

Miss Marylene Pierce is a guest of her sister, Mrs. Warren, at Lexington this week.

The many friends of Willard Pierce will be glad to know he is home from the army with an honorable discharge.

Mr. and Mrs. Carlos Sloan have returned from a visit in Brownwood in the home of Mr. and Mrs. Gratt Sloan.

Mrs. H. M. Timmons has returned home from a pleasant visit with her children in Carthage and Louisiana.

Rev. Moore, Milano Methodist pastor, has closed a successful meeting at Chriesman. Several Milano people attended the servics there. There were 18 additions to the church during the revival.

Son Born August 22 To Frank M. Newtons

Mr. and Mrs. Frank M. Newton are the parents of a son born at 5 p. m. Thursday, August 22, at Hillcrest Hospital in Waco.

The baby has been named Frank MacDonald Newton and weighed 7 pounds and 10 ounces. The mother is the former Miss Marjorie Cooper of Maysfield. The father is pastor of the Buckholts Baptist church and a student at Baylor. He was a bomber pilot and was shot down by German planes in the Mediterranean and was taken prisoner, spending over three years in Germany.

Harry Haraway's Are Parents of Daughter Born On August 18

Mr. and Mrs. Harry G. Haraway have announced the arrival of a 6½-pound daughter, Linda Jane, born at the Cameron Hospital, August 19.

Mrs. Haraway is the former Imogene McLerran, daughter of Mr. and Mrs. Frank McLerran of this city.

Mr. Haraway is owner and operator of the Western Auto Associate Store and is a veteran of the war in the Pacific.

Col. Thomas J. White Arrives From Dayton; To Receive Discharge

L. Col. Thomas J. White, United States Army Air Corps, and veteran of 15 months as a combat bomber pilot in the European theatre of war, is in Cameron, having arrived recently from his latest assignment at Wright Field in Dayton, Ohio.

Wednesday Colonel White and wife returned from San Antonio where he reported to processing in the course of a discharge which he will receive in November. He will be on terminal leave for the next three months but will go to Rice Institute in September.

He plans four years at the institute for a Ph.D. in Mathematics and will have a fellowship during the period. Having purchased a home in Houston, they will move there soon.

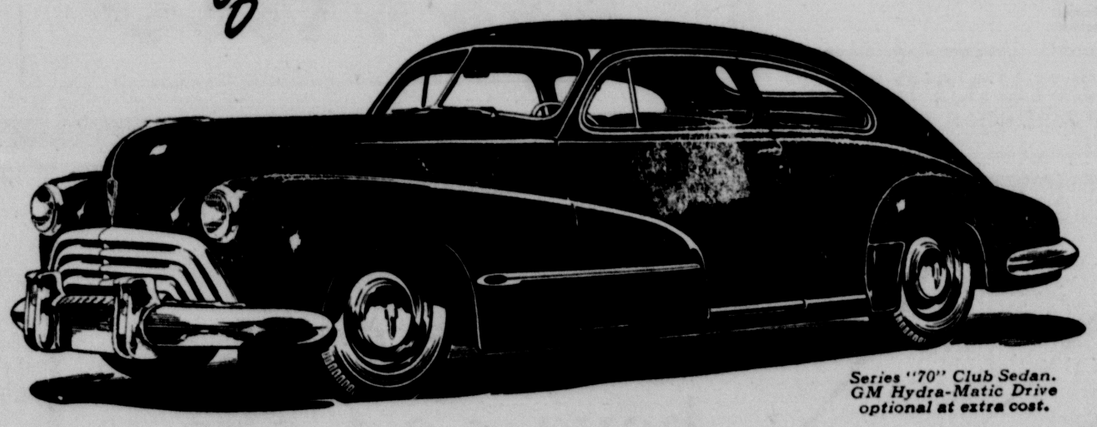
To those who are awaiting delivery of their New Oldsmobiles



Series "70" Club Sedan. GM Hydra-Matic Drive optional at extra cost.

A Word of Appreciation . . . and a Suggestion, too!

We know how anxious you are to get your new Oldsmobile. And there's nothing we'd like better to do, right now, than to say to every Oldsmobile buyer: "Your car is here. Come get it!"

But frankly, it just isn't possible to do that. There still aren't enough new Oldsmobiles to go around. Due to shortages in materials and unavoidable limitations on production, the output of new cars still is behind schedule. And our allotments are far below the figures that we originally anticipated.

We want to assure you, however, that everything possible is being done, both here and at the factory, to get your car in your hands promptly. And we'd like to take this occasion to thank you sincerely for the patient and considerate way in which you have borne with us during this period of waiting.

Meanwhile, we have an important suggestion: *Don't neglect the car you drive today.* The war has taught us all the importance of careful upkeep and regular service. While you're waiting for your new Oldsmobile, therefore, be sure to take advantage of our factory-authorized Oldsmobile service program. We are offering every kind of modern automotive service—from lubrication to major overhauls. Regular servicing of your car will safeguard your investment and assure you of safe, dependable transportation until that great day when your new Oldsmobile is here!

UNDULENT FEVER CASES IN COUNTY ON INCREASE

Dr. M. L. Fuller, director of the Cameron-Milam county Health Unit, states that undulant fever has been on the increase in Texas for several years. In 1945 there were 616 cases reported. In 1946 for the first half of the year there were 389 cases reported. There has been a similar increase in Milam county running from one case reported in 1942 to eight cases reported in 1945. There was one case reported in June of 1946, and there have been eight cases reported since the first of July for Milam county.

The death rate for undulant fever is very low, but some of tkose who have had the disease say that they were very sick. In some instances it lasts for a long time with recurring attacks of general ill feeling. This disease in the human family corresponds to Bangs Disease in domestic animals which source of infection comes largely from using milk and milk products from cattle infected with Bangs Disease.

There is a way by which this disease could be controlled to a large extent, by testing dairy herds and privately owned milk cows. This would not be 100 per cent, of course, In order to make it more effective range cattle should be tested also. For dairy herds in a pasture with only a fence between the dairy and range herd of cattle, it would not be practicable to eliminate the disease in a dairy herd merely by cleaning up said herd if the range cattle were infected.

The pasteurization of milk, however, is said to make it safe even when milk is supplied from cattle infected with Bangs Disease. In this section of the country pasteurized miik is rather scarce and so many people in the rural sections and quite a few in the towns have their own milk cows.

It seems that it would be an exceedingly wise thing to have these cattle tested for Bangs Disease and to take steps to eliminate the use of milk and milk products from infected cattle.

Tell Audacious Story in Movie Record Breaker At Cameron Theatre

"Scarlet Street," heralded as the most explosive cinema melodrama to emerge from Hollywood in recent months, is scheduled to open Thursday at the Cameron Theatre. Edward G. Robinson and Joan Bennett are co-starred. Dan Duryea has the leading featured role. The same trio, it is recalled, scored emphatically in Fritz Lang's "The Woman in the Window." The same Fritz Lang directed and produced "Scarlet Street."

The new production, presented by Walter Wanger and released by Universal, is said to deal elementally with a man's uncontrolled infatuation and its tragic consequences. Dudley Nichols contrived the screenplay which is based upon the novel and play, "La Chienne" by Georges de la Fouchardiere in collobaration with Mouezy-Eon.

A modest middle-aged cashier of a New York clothing company is the central character of the story. He is an artist of some ability. His painting provides an escape from a disagreeable married existence and it is his frustrated sentiment which causes his fatal entanglement with a chance acquaintance, a beautiful but altogether disreputable girl.

Robinson is seen as the credulous eager "little man" blinded and duped by physical charm. Miss Bennett appears as the scheming enchantress, the glamorous bait in a trap set to snare the man but in which she herself is eventually destroyed. Duryea, described as the screen's most convincing villian, has the role of the romantic rascal who engineers the sordid conspiracy.

Conspicuous in the supporting cast are Jess Barker, Margaret Lindsay, Rosalind Ivan and Samuel S. Hinds, all well known among Hollywood's more distinguished performers.

Lang's direction, regarded an entertainment guarantee for any film with which he is identified, is, according to the advance reports, equal to his past achievements. Graphic realism of the picture is said to be further enhanced by Milton Krasner's photography.

"Scarlet Street" is the first Diana Production, the new movie making concern being headed by Wanger, Lang and Miss Bennett.

Mrs. H. B. McClellen is a patient in a Marlin hospital.

Mrs. Henry Sapp is visiting a sister in Lubbock for a week or two.

MRS. ANNIE W. KIRSCHKE DIED HERE WEDNESDAY

Mrs. Annie Widener Kirschke, 58, died in the Cameron Hospital Wednesday, August 28 at 7:30 p. m.

Mrs. Kirschke had been ill for several days. She had been a resident of Buckholts for the past 30 years.

Funeral services were to be held Saturday afternoon at 3 o'clock from the Hope Lutheran church in Buckholts with Rev. R. A. Miller, Luththe services and the Green Funeral eran minister of Rosebud, conducting Home in Cameron, directing arrangements. Interment will be made in the Buckholts cemetery.

The body was at the Green Funeral Home and will be taken to the family residence at Buckholts Saturday morning and will remain there until the funeral hour on Saturday.

Surviving are her husband and the following children: Mrs. Minnie Wilkins of Ad Hall; Mrs. Clara Sellers of Galveston, Irvin and Thomas Kirschke of Buckholts, Mrs. Margaret Beal and Miss Dorothy Kirschke of Galveston. She is also survived by a number of grandchildren. Three brothers and one sister survive as follows: Adoplh Widener of Buckholts, Louise Widener of San Gabriel, Henry Widener of Italy, Texas, and Mrs. Emma Brow and Shreveport, La.

Revival Meeting Gets Under Way at Baptist Church in Buckholts

BUCKHOLTS—A revival meeting began at the Baptist church in Buckholts Sunday and will continue thru Sept. 8, reports Rev. Frank Newton, of Baylor University, who serves the Buckholts church as regular pastor. Rev. L. V. Simmonds, pastor of the First Baptist church at Caldwell, is doing the preaching and Rev. Newton is in charge of the singing.

Rev. Newton, son of Mrs. W. R. Newton and the late Dr. W. R. Newton, has served the Buckholts church since he was ordained into the ministry a few months ago at Bosqueville. Before the war, Mr. Newton was a law student at the University of Texas, and after being in the armed forces for more than four and one-half years, re-entered the university shortly thereafter, however, he transferred to Baylor for the purpose of studying for the ministry.

The Buckholts services begin each evening at 7:30 and the public is cordially invited.

The Rev. Newton is doing a splendid work with the Buckholts church which had only about six members when he came there. He promised the small congregation that before long "we'll knock the walls out of this little building to take care of our congregation," and the attendance has grown rapidly since that time. Putting his characteristic enthusiasm and wholeheart into the effort of building the church, Frank is doing a splendid work and is due to climb high in his chosen field.

NEW PAY BILL PROVIDES RAISES FOR ARMY MEN

"The new pay bill passed by Congress provides substantial raises for all U.S. Army enlisted personnel, ranging from increases of $25 monthly for a private to $27 for a Master Sergeant," Colonel Jean Edens, commanding officer for the San Antonio to U.S. Army Recruiting district, stated today. "In addition to the immediate cash benefits, the bill also increases the retirement income of a peacetime enlisted man.

"Extra pay allowances for special duties are not affected by the bill. Soldiers continue to receive 20 per cent above base pay for overseas service, and 50 per cent additional pay for flying duty. Paratroopers also get $50 a month extra.

"The increases range from 20 to 50 per cent, as indicated as follows:

Master of 1st Sgt. formerly received $138.00, now receive $165.00, an increase of 20%, retirement ofter 20 years $107.25, after 30 years $185.63.

Technical Sgt. old pay $114.00, new pay $135.00 increase of 19%, with reterement after 20 years $87.75, after 30 years $151.88.

Staff Sgt. old pay $96.00, new $115, increase of 20%, retirement after 20 years $74.75, after 30 years, $129.38.

Sergeant, old pay $78.00, new pay $100.00, an increase of 28%, retirement after 20 years $58.50, after 30 years $112.50.

Corporal, old pay $66.00, new pay, $90.00, increase of 36%, retirement after 20 years $58.50, after 30 years $101.25.

Private, First Class, old pay $54.00, new pay $80.00, increase of 48%, retirement after 20 years $52.00, after 30 years $90.00.

Private, old pay $50.00, new pay, $75.00, increase of 50%, reterement after 20 years $48.75, after 30 years, $84.38.

Base pay is increased 5 percent for each three years of service.

"In addition to base pay and extra pay for certain duties there are many factors which make up a soldier's 'real' income, which is considerable higher than his cash pay, because he gets free facilities and services that the civilian must pay for himself.

"Free food, clothing, quarters, and medical and dental care represent large cash savings for a soldier each year. Purchases at post exchanges and comissaries are at prices below civiailn scales. Sports, social and amusement facilities are at a fraction of civilian cost," Colonel Edens pointed out.

"The inlisted man's pay is not subject to Federal Income Tax. He gets National Service Life Insurance at reduced premiums and is entitled to free mailing privileges and special rates on carriers for travel while on furlough or pass.

"In civilian life ,the annual cost of medical and dental care ranks high in the family budget. The peacetime soldier receives this care free. It is also fursinshed to his dependents where facilities are available. U.S. Department of Labor figures, released on Dec. 9, 1945, show that the average city family in the $2,000 to $2,500 income bracket pays $104 a year for medical and dental expenses, while in the $2,500 to $3,000 income groups the cost rises to $123.

"The food bill also is a most important one in civilian life. In the Army, the same quality and quantity of food prepared and served to each man would cost $50 a month or more if obtained by any other way than through the facilities of the Army mess.

"The cost to the Army of clothes and shoes initially issued to an enlisted man, plus the cost of a year's replacements, furnished due to normal wear, average $211, depending on his type of duty and location of his station.

"There's another important factor in considering a soldier's income. Good pay is not just money in the pay envelope — it's the money left at the end of the month after bills are paid and expenses met.

"Department of Labor figures show the average annual wage during 1945 in American manufacturing industries was $2300. That's about $191 cash a month. But an Army private with his $75 cash base pay actually will have more money left at the end of the month than the civilian.

Here are the monthly expenses for the average unmarried Army private:

Lodging	$0.00
Meals	.00
Clothes	.00
Medical, dental care	.00
Insurance	6.50
Income Tax	.00
Transportation	.00
Laundry, cigarettes, haircuts	10.00
Incidentals	10.00

"This leaves him $48.50 per month net. The average civilian worker can compare his own expenses with those I have listed for the Army private.

"The Army also encourages saving by making it possible for the soldier to open a savings account with the Army Finance Department. The money deposited pays four per cent per annum.

"Orevaill, Army life, with the new pay now in effect, is hard to beat," Colonel Edens concluded.

Colds Becoming More Prevalent in State with The Approach of Fall

With the approach of fall and the attendant seasonal changes of weather, common colds become much more prevalent and widespread in the state.

Dr. Geo. W. Cox, State Health Officer, has issued a warning against the careless treatment of any respiratory illness since they can and frequently do result in the dreaded complication, pneumonia. He emphasized the fact that pneumonia usually strikes with little or no warning, following a simple cold, an attack of influenza or some other respirathory infection.

"A cold or any other infection of the breathing passage, especially if accompanied by fever, demands the immediate attention of a doctor," the State Health Officer said. "To try to fight such a disease without bed rest and by means of self-medication may endanger life unnecesarily."

According to Dr. Cox, prevention is better than cure and in order to avoid colds, influenza, and pneumonia he advised building up normal physical resistance by sufficient ventilation, adequate nourishing food, outdoor exercise and sufficient sleep and rest. "However," he added, "if, in spite of such care, a respiratory illness, develops, the family doctor should be called immediately."

The fact that pneumonia is definitely a communicable disease is often overlooked, Dr. Cox stated, but this should be borne in mind so that the danger of passing the disease from one person to another can be eliminated.

Mr. and Mrs. Joe Bill White and her parents, Mr. and Mrs. Charles Perry, all of Houston, made a short visit in Cameron on Monday.
